Best-in-Class Technology Solutions

GSA's Best-in-Class (BIC) information technology (IT) contracts can help you meet mission goals

BEST in Class

Our BIC-designated IT solutions help agencies comply with the President's Management Agenda (PMA) and Cross-Agency Priority Goals related to spend under management (SUM) and the use of BIC solutions.

Spend Under Management (SUM)

SUM is the percentage of an agency's spend that is actively managed according to category-management principles.

Increasing SUM will:

- Eliminate redundancies
- Increase efficiency
- Deliver more value and savings

BIC Technology Acquisition Solutions

Our BIC solutions for IT are vetted, well managed, and recommended for use by the Office of Management and Budget (OMB).

Using these solutions will:

- Maximize the government's shared purchasing power, allowing agencies to leverage volume discounts
- Help agencies operate more efficiently by reducing administrative costs and contract duplication
- Expand the collection and sharing of governmentwide buying data, leading to better-informed business decisions

GSA's BIC Solutions for IT

These contracts are multiple-award, indefinite-delivery/ indefinite-quantity (MA-IDIQ) Governmentwide Acquisition Contracts (GWACs) and Blanket Purchase Agreements (BPAs). All contract awardees have the required facility clearances and can provide best-value IT solutions to federal agencies while helping agencies meet socioeconomic goals.

Our BIC offerings for IT are:

Multiple Award Schedule (MAS)

New Electronic Equipment IT Hardware subcategory SIN 33411 (legacy 132 8): This Special Item Number (SIN) under the MAS enables easy purchasing of new electronic equipment.

- **Government-wide Strategic Solution (GSS) for Desktops and Laptops:** GSS's Hardware SIN 33411 (legacy 132 80). Online purchasing tools such as GSA*Advantage!®* offer federal agencies easy options to purchase standard desktop and laptop configurations.

  www.gsa.gov/masit

- **Software Licenses IT Software subcategory SIN 511210 (legacy 132 32 and 132 33) and Software Maintenance Services IT Software subcategory SIN 54151 (legacy 132 34):** Includes SIN categories under the MAS for purchase of perpetual and term software as well as for purchase of maintenance in support of SIN 511210.

  www.gsa.gov/masit

- **Wireless Mobility Solutions SIN 517312 (legacy 132 53):** Agencies can use mobile service plans and devices more effectively and efficiently through unified acquisition, improved information management, and cross-agency collaboration.
