

## KEY TARGET BUYERS

-  Hardware and software buyers
-  DoD and civilian federal agencies
-  State, local, tribal, and territorial governments

## COMPETITIVE DIFFERENTIATORS

- ✓ Realize compliance
- ✓ Pre-negotiated fair and reasonable prices
- ✓ License agreements and terms of service reviewed to remove federally non-compliant terms

## EQUITY

- [Sole-source 8\(a\) ordering](#) is now available
- [Set-aside](#) orders for all socioeconomic categories

**1,000+** Small Business Contracts

## CYBER-SUPPLY CHAIN

- Catalogs monitored for prohibited products
- 2GIT blanket purchase agreement incorporates supply chain risk management plans and monitors compliance

## BUYER (CUSTOMER) GAINS

-  Save time
-  Realize cost avoidance (\$860M+ saved in FY23)
-  Experience flexibility and choice
-  Evergreen contracts continuously updated

## SUSTAINABILITY

-  IT hardware incorporates EPEAT as mandatory for all laptops, desktops, tablets, and thin client devices sold through its Government-wide Strategic Solutions (GSS) for Desktops and Laptops Program.

## FAQS / ANSWERS

- Q Can I get a better price than what is on the MAS contract catalog?  
A Yes! Catalog prices are ceiling rates. When you have a large purchase, you are encouraged to seek, and contractors are encouraged to accept discounts from the listed prices.
- Q Where can I make a purchase?  
A Use the [GSA Advantage!®](#) online shopping and ordering system or [GSA eBuy](#) for posting requests for information and quote.
- Q Where can I purchase standard configurations of laptop and desktop computers?  
A Visit the [Government-Wide Strategic Solutions \(GSS\) Aisle](#) on [GSA Advantage!®](#).
